# "PARKS Pavilion" Platform for All Regions of Kyushu & Okinawa for Startup-ecosystem

May 30<sup>th</sup> Tue. – June 2<sup>nd</sup> Fri.

9:30-17:30@Q0407,1F,TaiNEX2 TAIPEI

**Contact Us !**

PARKS is a startup ecosystem platform connecting the Kyushu-Okinawa region and Asia, consisting of 18 universities and 1 venture capital firm.

The PARKS Pavilion showcases university tech-seeds in the fields of "Robotics," "Environment, Food & Marine," "AI/IoT," "Raw Materials," and "Medical & Healthcare," which are the results of research and development by universities in the Kyushu-Okinawa region. It also introduces Kyushu-Okinawa Startups.

Those interested in the global commercialization of university tech-seeds in the Kyushu-Okinawa region, collaboration with startups, and market entry into the Kyushu-Okinawa region are invited to our pavilion.

**At PARKS Pavilion,  
You can contact 18  
universities, 1 VC,  
4 startups, and  
7 university researchers in  
Kyushu & Okinawa in  
Japan !**
